To Whom It May Concern:

I have had the pleasure of working with Carole O’Riordan in my previous role at The Ritz-Carlton, San Francisco as Vice President and Area General Manager. Over the past seven years, I have learned about Carole’s commitment to excellence and wealth of industry experience. These are among the many reasons why I hold her in the highest regard.

The Ritz-Carlton hired Carole to design their wedding showroom and redesign several other areas of the hotel. The outcome that she produced was absolutely amazing. Seeing her excellent work, I hired her to be the decorator for the new condo I bought in San Francisco. We worked together very closely for over a year on my home, and her professionalism and creativity proved to be second to none. My luxury tastes are very specific and she could not have done a better job for me.

I am now the General Manager for The Dorchester Collection’s New York Palace Hotel and I recently hired Carol to decorate my new apartment in Manhattan. Once again, she exceeded my expectations. I would, without a doubt, recommend the services of Carole O’Riordan to anyone who wants to have their home or business designed/redesigned. She is extremely skilled in her field, utterly conscientious, passionate about what she does and an absolute pleasure to work with.

Best regards,
